Mystery of the NCAA Eligibility Center

New DI Requirements for Class of 2016

(to participate in athletics or receive an athletic scholarship as a freshman in college)

- Minimum core GPA increased to a 2.30
- 10 core credits must be completed PRIOR to senior year and those grades are “locked in” once senior year begins
- 7 core credits in English, Math or Science must be completed PRIOR to senior year
- Two qualifier status: Full Qualifier and Academic Redshirt

Core Course Requirements

Although both divisions require 16 core credits, the subcategory course requirements are different for DI and DII

English: 4 years for DI / 3 years for DII

Math: 3 years for DI / 2 years for DII

Natural/Physical science: 2 years (including one year of lab science)

Additional English, Math or Science: 1 year for DI / 3 years for DII

Social Science: 2 years

Additional Core Courses: 4 years

Core Course Requirements

Cumulative GPA **DOES NOT EQUAL** Core GPA

It is not uncommon for the Core GPA to be an
ENTIRE POINT LOWER than the Cumulative GPA

Core Course Requirements

The earlier a student-athlete begins tracking their core courses, the better.

Every semester counts.

Student-athletes satisfy up to 33% of their NCAA core course requirements in the...

FRESHMAN YEAR!!!

Core Course Requirements

NCAA credit recovery rules are very restrictive regarding approval and acceptance of online and distance learning classes

Makes tracking NCAA
Core Courses **QUICK**
and **EASY**
